

Wasatch House 2014

A Year In Review

What a Year!

We have had a great year at Clubhouse! Some of the fun things we have done include our annual Valentine and Halloween dance where we invited other local Clubhouses to join us in a fun night of eating, dancing, and socializing! We were also able to organize the 2014 annual Wasatch Wellness Run. It was a lot of work, but a great opportunity to raise awareness about mental illness as well as donations and money to use for Clubhouse activities! Then, as the holidays approached, we got to do our yearly Thanksgiving Dinner where staff made a delicious meal for the members to express appreciation for all their hard work here at Clubhouse. We also hosted the annual Christmas party that everyone loves because we get to exchange gifts and enjoy another fantastic dinner! Of course, we still had our weekly Tuesday night skills development activities like arts and crafts, shopping and budgeting, karaoke, game nights, and TE Dinners. We are looking forward to seeing what 2015 has in store for our wonderful Clubhouse!

A few of the kitchen crew are taking a well-deserved break from cooking and preparing the delicious lunches we have everyday.

Oscar E. and Clark B. are such goofballs and really like to ham it up for the camera!

Mark B. serenading the Career unit with his music. He is really great at playing the guitar!

Peter J. looks like he is enjoying the State Fair, especially with that huge grin!
