

# WASATCH HOUSE

2023

At the beginning of the year, we started off our fun activities with a Valentines party. We had a great time posing for photos in front of an awesome background that some of our members made!

We went to a few museums where we had a lot of fun putting together some great photos for our videos and other publications.

As the sun came out and warmed us up, we got out and had some fun! We had a great swimming activity at the Rec Center and even got a donation from Reign of much needed move in supplies!

During the summer we were able to go to a picnic in the park, hosted by emergency responders in the community and have some fun in the sun!

# Holidays!

We had a lot of fun for Halloween and Christmas this year! Thank you to everyone who attended our activities, and made this a fantastic year!
